Join us for our 5th concert in the Salon with Ross Alley. The Tait Memorial Trust has great pleasure in announcing this year's showcase of its awardees in an evening concert on 19th March kindly hosted by Leslie MacLeod-Miller at his home in Westminster.

The human voice is perhaps the most emotional of all musical instruments as we all correspond to its communication of joy, pain, laughter, anger, consolation, warning, and passion— a limitless lexicon of primal and sophisticated expressions that provoke an immediate response. Opera is drama made music and this year's TMT "...in the Salon" concert will showcase vibrant young singers from Australia & New Zealand performing vocal works involving emotional conflict: drama!

It will be an unforgettable experience.
